SUBJECT: **Global Hindu Empowerment Office Condemns Violence On RSS & BJP Functionaries in Kerala**

TO,

Hon. Home Minister Of India - Shri Rajnath Singh ji

Namaste

Global Hindu Empowerment Office is observing that physical attacks on RSS and BJP functionaries in Kerala have augmented. This is due to failure in the ideological discussions with the ruling communists. The communists are having insecurity that they may lose Kerala also as final communist frontier in India. They also know that it's impossible to counter RSS in philosophical discussions and debates; as a result they have resorted to physical extermination of RSS and BJP functionaries.

Our office remembers that just before PM Narendra Modi ji swearing in ceremony, he contributed that success to the sacrifices of BJP / RSS workers in Kerala and saluted their martyrdom for Bharat. Still today, after two + years of your Govt. the killings are continued, and this is demoralizing grassroots workers and this is very disappointing internationally.

Our office requests your home ministry to deploy central security agencies to prevent attack, provide protection and prosecute killers as soon as possible.

- W/ Best Regards
RAHUL CHANDRA SHARMA
